What is I-CAN! EIC?

- I-CAN![™] EIC is a web-based application that helps low-wage earners claim the Federal Earned Income Tax Credit (EITC) and complete their federal and some state tax forms. It was designed by the Legal Aid Society of Orange County specifically to help the working poor claim the EITC and keep it.
- I-CAN![™] EIC is written at a fifth grade literacy level, in English and Spanish. A video guide reads questions to users. It is available to anyone with access to the Internet. 98% of all users rate it as easy or very easy to use.
